Did not have too much this year.</p> <p><u>Cider</u>: ½ cider left, beer quantity was good, x3 people was enough. Ridgeway sold well – next year x3 ridgeway and x1 free from the pub ½ pint glasses were lost, make sure have enough cups next year.</p>	EG

Refreshment: All went well, no issues.

Lemonade: Profit not as good, but then weather was not as hot.

Raffle: This needs to be closer to the bar, a lot of people missed it, perhaps needs a better sign.

Signs: Are these in SW/PW loft?

Programmes: Do we do these next year? We lost £100 on them this year as no sponsorship was sourced for them. Would Ness and Sam be willing to ask for sponsorship as they did a brilliant job with the prizes this year. Sponsorship needs to be done by March 2020. No sponsorship next year = no brochure. EG to ask Ness/ Sam if willing to take on sponsorship job.

Buckets: It had been mentioned to AH at the May Fayre that we should have children standing with south stoke school buckets at each end of the street asking for a donation. As it is not very clear that all the money from the May Fayre goes to the school.

Stalls:

The following stalls did not make enough money for the effort and manpower taken to run them:

Teddy Tombola
Spiderman
Lucky dip
Slime
Books

It was decided that next year we will rethink these stalls to try to generate more money. Suggested penalty shoot out or similar games for the older children.

Bottle stall – SD did brilliant job with the bottle stall and made a lot of money.

Next Yeas May Fayre

Next Year May Fayre falls on VE day. This will affect being able to run May Fayre as there will be village celebrations going on.

It was decided to put out a Facebook post asking parents what they think we should do next year.

Do we ask for a voluntary contribution to cover the £4000 May Fayre raises? This would equate to £86 per child. This is a lot of money for parents to contribute.

Do we try a different fundraising event?

Do we work with the village to run a combined VE event?

It was decided to ask CW what the village are proposing to do – EG

Forest School:

Forest School have asked the PA for a contribution of £944 towards following equipment:

£516 – Forest School advanced kit
£60 – saws x4
£100 – Cart
£90 – Geo patterns
£78 – vice x 6
£100 – slack line/ gloves

Due to not sponsoring Cookery Club from September, there is £450 that can be allocated for Forest School. It was agreed to give Forest School £616 now and the rest of the money will follow later.

Lottery Money: We are currently receiving £30 a month from the Oxfordshire County Lottery.

Shop and Give' CK needs to find out who set up 'Shop and Give'

Smile: So far, we have raised £20 from Amazon SMILE.

<p>Date of next meeting</p>	<p><u>Sports Day:</u></p> <p>AH to buy lollys, NB to buy strawberries. Will sports day be AM or PM? NB to ask Miss T.</p> <p><u>Disco:</u></p> <p>Could the disco be on the 22nd July? – NB to ask Miss T. Some parent help will be needed to help set up.</p> <p>Fiona Drew is leaving us a Vice Chair in September. The PA would like to thank her for all her help this year.</p> <p><u>Fireworks:</u></p> <p>It was agreed to stick with the current format of fireworks. It was noted that we should advertise that we use Wallingford as they have won awards.</p> <p>£2000 budget for fireworks. This needs booking ASAP – EG</p> <p>Date of fireworks will be 8th November.</p> <p>It was agreed to investigate using the butchers at Cholsey for fireworks night -CK</p> <p>25th October the sign-up sheet needs to go up.</p>	
	<p>15th April 2019 – 9.30am 17 Springhill Rd, Goring, RG80BY.</p>
